Thanks for taking the time to read this message

Excuse me, where are we going? I think we've come far enough...
We need to lose those guys that are following us first.

MY PRINCE! PLEASE! YOU CAN'T IGNORE IT LIKE THIS AGAIN..!
Hey, Yeo Room Han.
I'm going to speed up now, so hold tight.

THE EMPEROR WON'T LET YOU GET AWAY THIS TIME!

PLEASE COME BACK QUIETLY NOW!
MISTY RAIN

Don't you know, this will solve nothing.

Don't embarrass, no, don't make the queen worry anymore, You know that well, my prince.

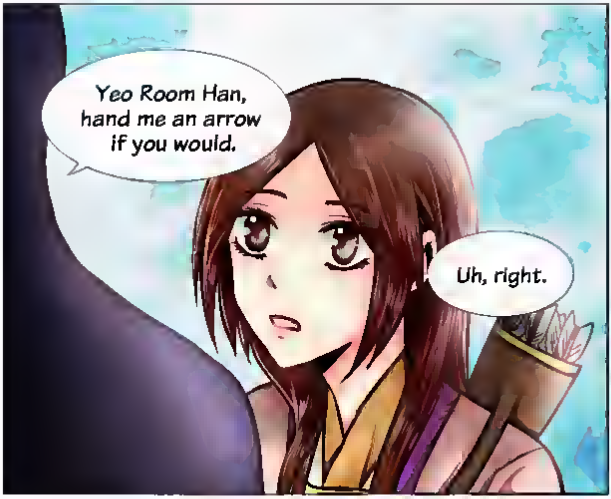
...Ha. you know nothing.
You two are the most familiar with my personality, and yet you say such things.

BUT MY PRINCE, LET'S TALK THIS OVER!

Nothing will change if I go there and talk. You should know that by now.

But this still isn't how you should behave.
You should be more rational. there has to be better answers than this.
MISTY Rain

I will not be toyed by your wit nor your quick tongue.
...How uncivil
You know very well what the Emperor, my father, is plotting. If we follow him, it will bring about war.



Yeo Room Han, hand me an arrow if you would.
Uh, right.

We could go on and on like this, but reasoning with you is futile,and i must take my leave.
We're under orders from the Emperor.

You brought this upon yourselves...

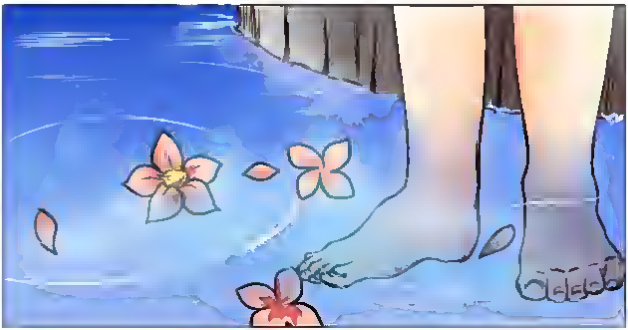
Prince, you're really going too far...
THIS REALLY IS TOO MUCH!

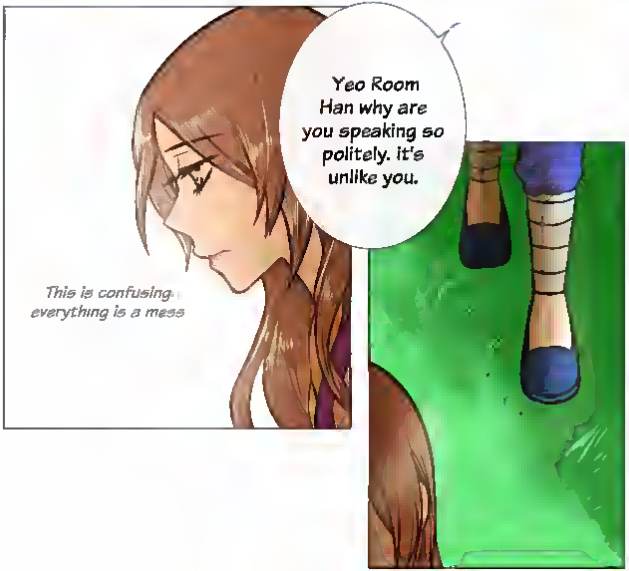
Pour
Is it really okay to do that?
It's fine. It's hot outside, so that will help keep them cool.
That's not what I meant
MISTY RAIN

He did it with a sword, not an arrow.

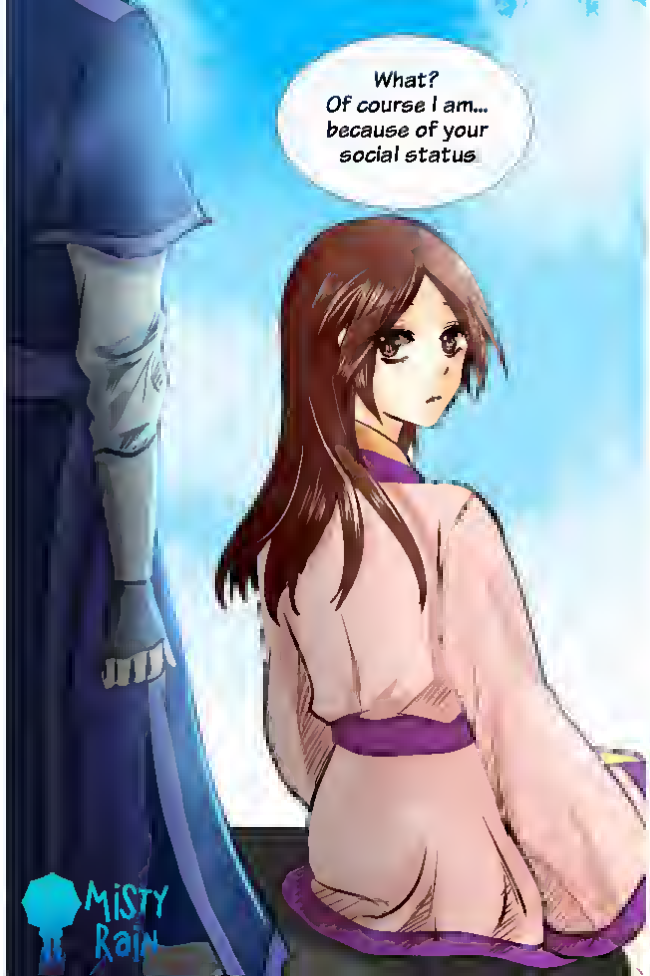
From what I read in the book, I thought it had to be a sword. I'm back to where I started.

I can't come up with a good answer by myself. Should I ask him?
How would I even ask that? "How do you use the power of water?"
I feel like he knows me, or at least he knew me long ago.





Yeo Room Han why are you speaking so politely. it's unlike you.
This is confusing... everything is a mess

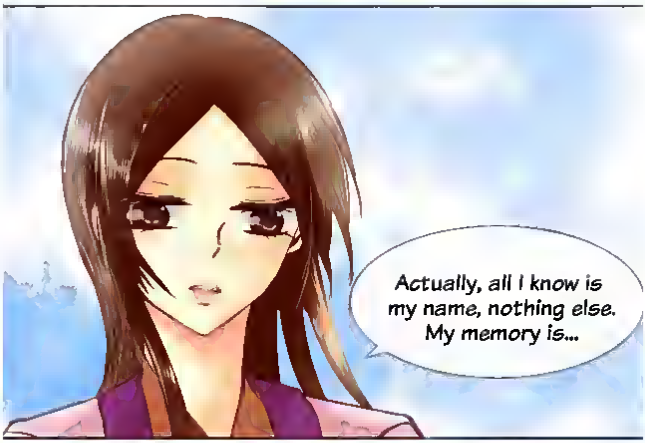


What?
Of course I am...
because of your
social status
MISTY
RAIN

That's what's weird, social status...

You never cared about it before. Really, why are you using it?

And I feel like you know me, but it's so unnatrual. like something is off.



Actually, all I know is my name, nothing else. My memory is...

How can I tell him that I'm from the future? He'll think I'm crazy. Ah, really. What should I say? I don't know what to do! This is so difficult!

If you don't want to tell me, I understand. Some things might be best left unsaid.
MISTY RAIN

It matters not; I'm just happy to have you remember my name.

Did I forget to put up the closed sign again?

Hey... This might sound a little strange but... I have a really important question to ask you. So please don't get mad at me.
When does the next chapter of the Scholar Who Walks the Night going to be released?

That's classified info...
I really need to remember more often to put up that closed sign at night...
So I can't say anything.
I see... Well it was worth a shot. Looks like I'll just have to keep checking the blog.
